"Maestro strike up the band" echoed across the field and with that Bassett's Homecoming festivities began. As they paraded around the track, the band and drill team performed their parade routines. Behind them came the club floats decorated to the theme of "Olympians are forever." The Thespians took first place in float contest, Drill team, second, and the Class of "80", third. Finally the most awaited group of the evening. A few past Homecoming Queens from Bassett High preceeded the 1978-79 Homecoming Court escorted by their proud fathers. To the tune of "Close to you," the court was introduced by Mr. Tambara: *Lisa Murphy, Cathy Armijo, Pam Payne, Lisa Olvera, Cathy Trujillo.* Everyone waited anxiously to find out who the queen would be, but, they had to wait a little longer. Later at the dance, couples enjoyed the music of Spain. The magic hour arrived, the King and Queen were announced. *Chris Holling* was crowned King, *Lisa Olvera* was crowned Queen. Over all the cheers, the band played, "Always and Forever", as a special dedication to the Court. Congratulations Chris and Lisa.

# In The Spirit

Throughout spirit week excitement ran high. Activities included dressing in costume each day of the week. Games and contests were held during nutrition and lunch. Monday students bebopped as characters out of the fifties, Tuesday ghost, goblins, monsters and meanies recognized Halloween. Wednesday clowns and hobos frolicked bringing smiles and laughter. The Cowboys and Indians brought the spirit of the old west Thursday. Friday Hula dancers and colorful Hawaiian shirts could be seen along with the traditional black and gold. Spirited alumni, faculty, and students gathered in the gym for the pep rally. The anxious spectators were greeted by the spirit of past, present, and future Olympians. The Class of '81 won the contest of cheers which opened the coffin to reveal the Olympian spirit portrayed by Guillermo Galvan. Vince Rubio and Kathie Woods entertained with the song "Evergreen". The Olympian Band, drill team, and floats joined in parade around the neighborhood. The Olympian football team put away the fun to get down to the serious business of meeting the Covina Colts on the playing field.

Dear Pauline,

We've been friends for a long time. I don't know how, but we have. May we always be. I know we don't always agree on things, but it makes things and times much more interesting. I wish you the best of luck in everything you do. May you find what ever your looking for in life, and meet the goals you set. I know you can accomplish what ever you set your mind to if you work at it. So work at it. Have fun in the summer, even though we'll be spending most of it together on our trip to Oklahoma. I'm sure you'll have fun. Well "Good Luck" to you.

Dressed in colorful tuxedos and glamorous long gowns, anxious couples arrived at the Inn at the Park in Anaheim for the long awaited Christmas Ball. The theme TONIGHT IS THE NIGHT along with the joy of the holiday season brought fine memories to all, students, teachers, and alumni, who danced to the excellent music of POTENTIAL. Dancers packed the floor as each tune, disco or rock, played. It seemed every dancer had "Christmas Ball Fever" on a Thursday night. At twelve o'clock Student League President **S. Taylor** and Vice President **R. Lampkins** cleared the floor to introduce the royal court. The hall was still and full of heightened excitement as the princesses and princes were announced. **Connie Velasquez, Janice Kuwara, Karen Holling** and **Becky Velasquez** all received princess crowns. **Edward Rodriguez, Richard Delgado, Vinnie Iberra,** and **Richard Myers** were crowned princes. King **Ed Claproth** and Queen **Elizabeth Luna** from 1977 were on hand to crown **Eugene RevierVernines** King and **Judy Ibarra** Queen of 1978. The Student League and Sponsor **Carol Triestman** deserve kudos for a most enjoyable evening.

Come see THAT'S ENTERTAINMENT IN FIVE ACTS. Read the advertisement for the first production presented by the Thespian Club. Despite some awkwardness and unforseen circumstances the five acts became two. Director **Mark Wilson** proclaimed "the show must go on" so with the two fine acts that were left the show did go on for three matinees and one evening performance. In THE PSYCHIATRIST IN SPITE OF HIMSELF, Millie (**Brenda Garcia**) seeks revenge on her husband Bud (**Vince Nerey**). She tells Frank and Evelyn (**David Leroy** and **Alicia Munoz**) that she knows of an excellent psychiatrist for their daughter Chris (**Jamie Rivas**) who wants to marry Rak (**Danny Carrasco**). Complications abound when the psychiatrist happens to be Millie's husband, Bud, the mechanic.

In A MORE PERFECT UNION a group of girls portray snobs who refuse to accept a girl from across the tracks into their glee club. **B. Garcia, J. Rivas, E. Rivas, K. Ullberg, J. Rivas, D. Hipple, R. Wilkinson** and **A. Munoz** gave outstanding performances. Hats off to the technical crew. This drama season debut was a delightful tribute to **Mark Wilson's** talent and effort.

Director Wilson

Strong muscles and nerves were the requirements for participation on Bassett's donkey basketball team. Even so, many student and faculty players finished the February 16th game with shattered nerves and aching muscles. Leading the list of aches and pains were Mr. John Bush, playing for the faculty team and who decided to fall from his donkey in a different way — on his head. Calling for the student team was junior Mike McCall, whose donkey decided he liked Mike better on the floor than on his back. While the gym floor was taking all this pounding, however, a few players managed to stay on their donkeys long enough to score. High scorer for the faculty team was Bill Leavitt, whose 10 points were the major force in pushing the teachers to victory. Carolyn Watt was also at the top of the scoring roster with 8 points to her credit, while Rachael Rey scored 4 points. Other scorers were Tokijo Ochi, Rudy Ramirez and Paul Gudbrandsen, each racking up one basket. Mike McCall stayed on his beast long enough to score 6 points for the student team. Following him, John Collins, Tina Sandavol and Vincent Rubio all pushed in 4 points each. Chris Zepeda, Tim McMurtrey, Dale Aguilar and Memo Galvan also had a hand in scoring with 2 points each.

After all this shooting and scoring went on, the two teams found themselves head-to-head with tie scores. Resolving the game in a sudden-death overtime, the students faltered after 1½ minutes and Leavitt charged under the faculty basket to drop in the last two points of the game. The final score was 28-26, with revenge already in the planning stages for the next Donkey Basketball game.

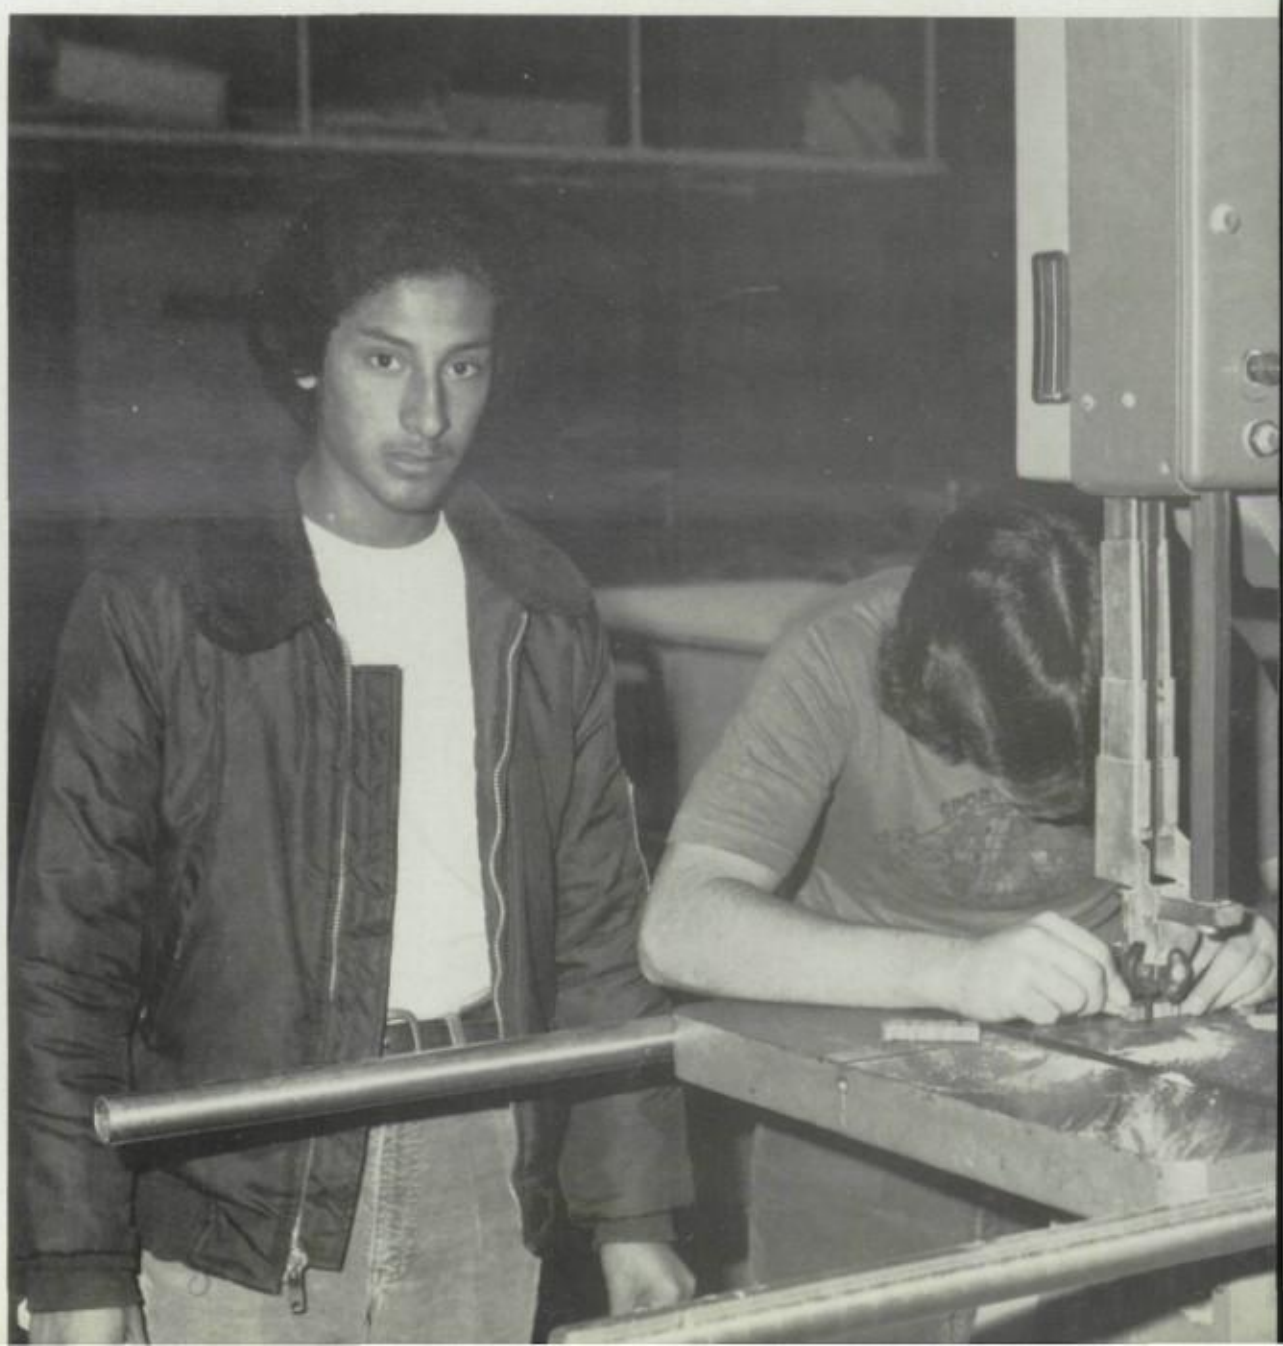
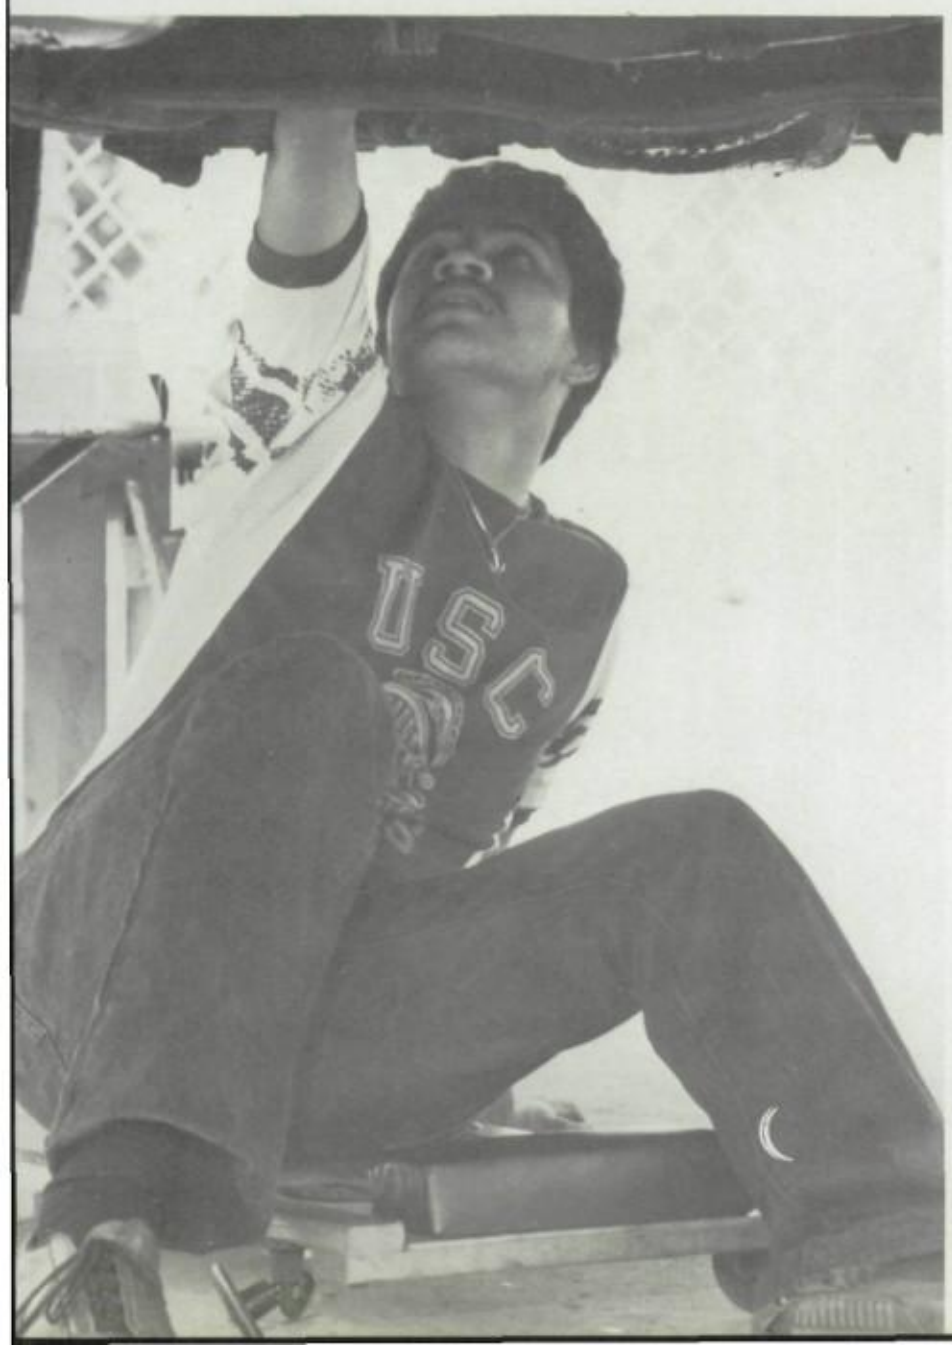
Mrs. Thompson says she loves her work, finds the students eager to work and that they are excellent workers. She provides guidance in practical experience for the "real world".

**Francis Dauk** greets students at the front desk, giving patient help throughout the day. **Monica Serna** is the career center aide.





**Carol Sharp** serves as Guidance Aide for the Regional Occupational Program R O P in the Career Center at Bassett. R O P classes prepare students for a special field of work with entry level skills and perhaps further education. Credits are earned while participating.

Popular classes are student aide, where Bassett students work with elementary students, greenhouse and flower arranging led by **Bob Dominguez** and fire protection led by **Bob Davis. Chip Lusby** leads a class in radio. Auto body is another popular class.

One is always welcome to come to the Career Center and talk with **Mrs. Sharp** for more information.

R O P is open to all high school students anytime during the year.

Being, its coming from a true reality of life, we have what is called MEMORIES! The many times we've shared together are a reality of our true feelings. Great, disappointing, exciting, frightening, or whatever the case, it's stored up in your brain to remain forever!

The many adventures we have had are in our brains, I'd like to list some of the peoples and songs which will help us remember even clearer! Take for instance Tijua's! Your still a Virgin Mia. does it somehow ring a bell? How about: Roberto, Luis, Joaquin, Mr. Danny and Mr. Chavacane. Feelings. I didn't love, for I'm so proud, Mr. Fernando, Angelo, Art, Carlos, etc... Don't let no-one get you down, Mundo, David, Joe, Billy. Make it with You..... Henano, and Tonite is the nite for Nevets! Sylvester, you once said: I'm the nut who changed Sejitus Libby to Crazy Libby, but this nutty aint so nutty! I'd say NUTTIER! When will the past erase? NEVER! Going to dances, having crying parties, singing parties are all a part of our past and will go on to our future. Seal, I'll be a success, and you and everyone else will be too! It's all in a matter of how you look at it. I'd rather be rich at heart than in $$! The profession ISN'T what counts, its YOU inside, and I'm me! Libby, laughing, Lizzie, Liz, smiling, Stupid, Twila

ALWAYS & FOREVER

I just want to say, to all my friends: Luz, Esther, anna, Olivia, Pat, Elizabeth. Martha, Jetticia, Diosclina, Ruth, and special to "Crazy Quitina" "Good luck" and Keep on touch!

Your best friend,

A FRIEND

What is a Friend? I'll tell you.
It is a person with whom you date to be yourself.
Your soul can go naked with him.
He seems to ask you to put on nothing, only to be what you really are.
When you are with him, you do not have to be on your guard
You can say what you think, so long as it is genuinely you
He understands those contradictions in your nature that cause others to misjudge you.
With him you breathe freely-you can avow your little vanities and envies and absurdities and in opening them up to him they are dissolved on the white ocean of his loyalty.
He underatnads,-You can weep with him, laugh with him, pray with him-through and underneath it all he sees, knows and loves you.

A Friend, I repeat, is one with whom:

YOU DARE TO BE YOURSELF!!

I DEDICATE THIS POEM TO ALL MY FRIENDS, BUT ESPECIALLY TO LIBBY BECAUSE SHE HAS REALLY PUT UP WITH ALOT OF MY AND IS STILL ALIVE TO TELL ABOUT IT. SEE YA TAKE CARE AND LOTS OF LUCK Pat

I want to say so many things, but I can't because of lack of space. I will only say I deeply appreciate the help of all my friends.
I will not name anyone, but they all know who they are. I will say though, Mrs. Hartly we couldn't have made it without you. Miss Gonzalez, I am glad you were around to make things easier for me.

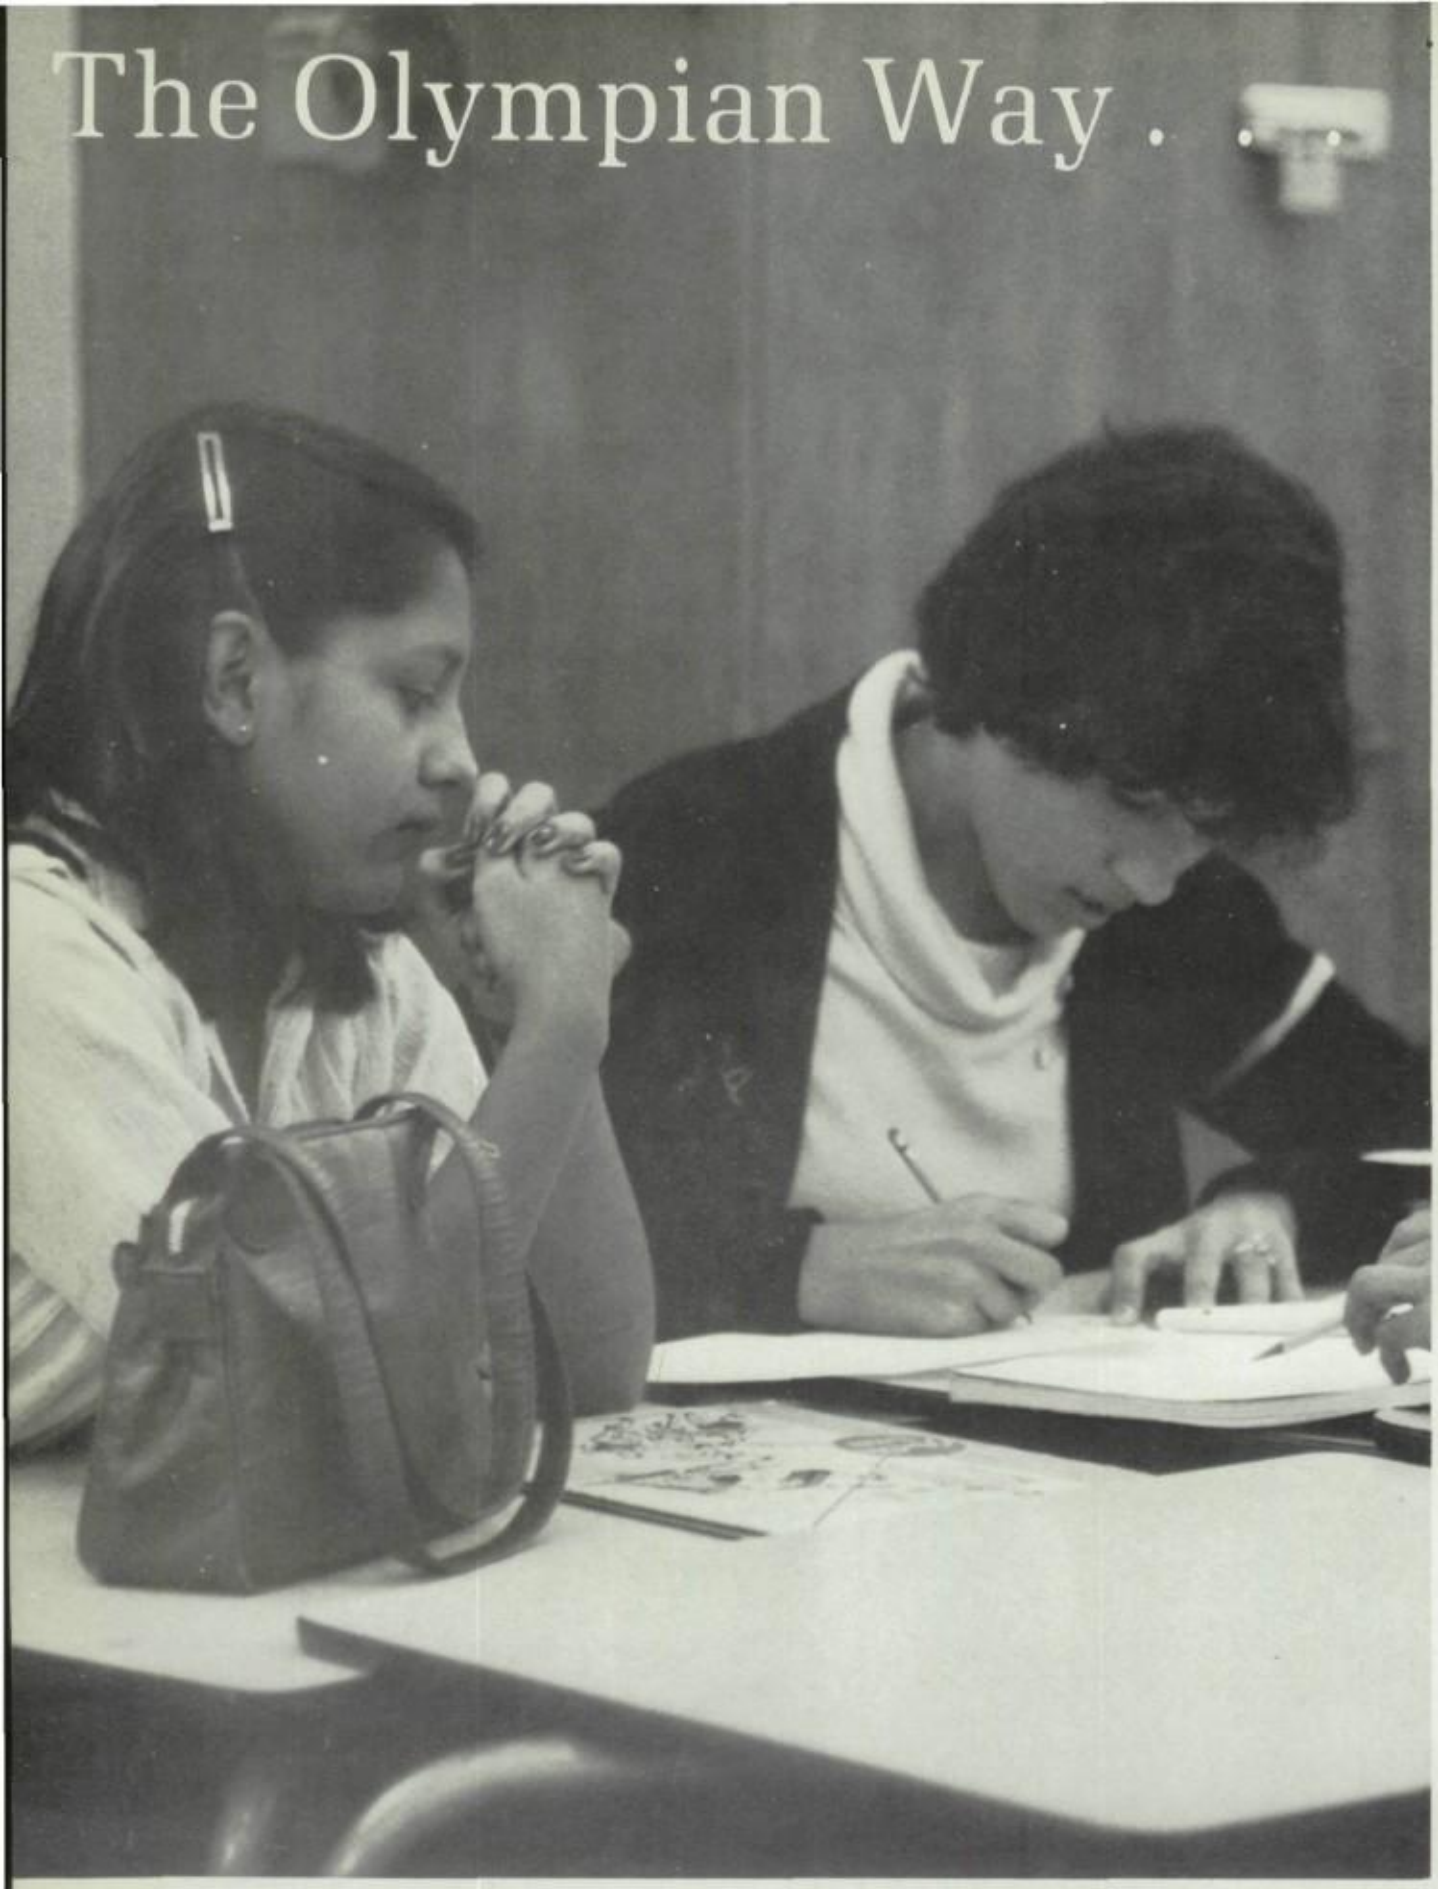
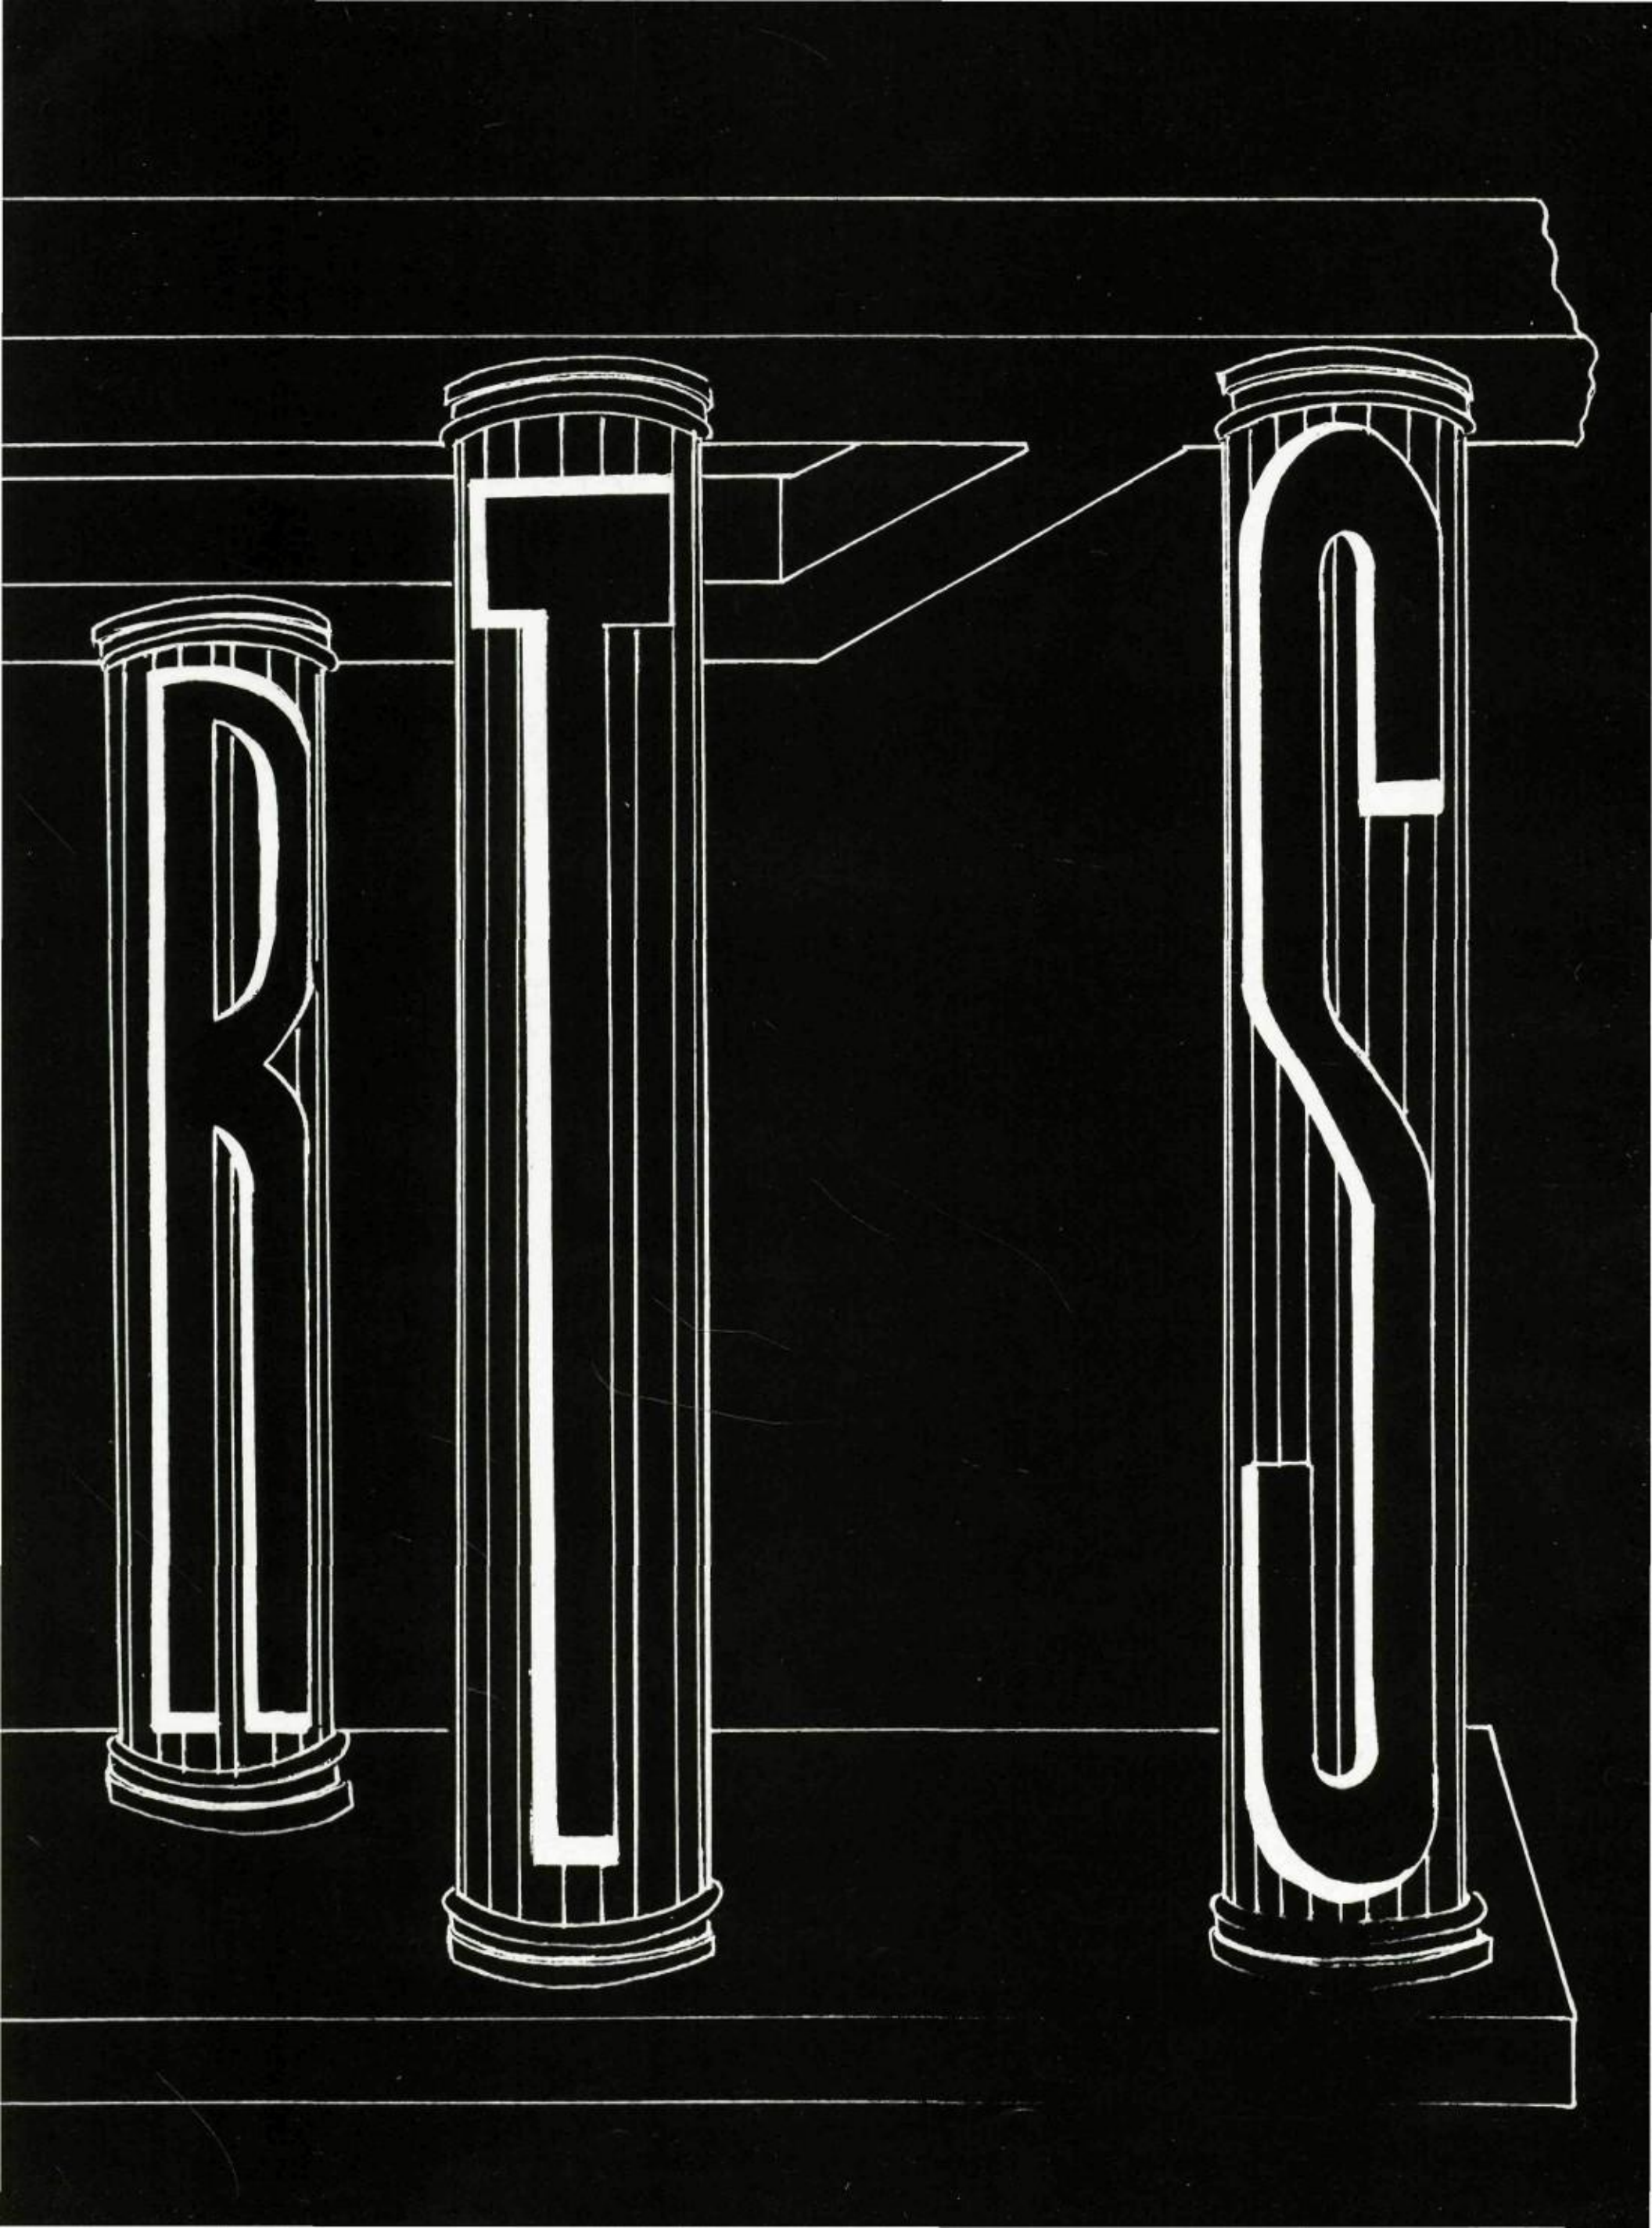
# The Olympian Way . . .

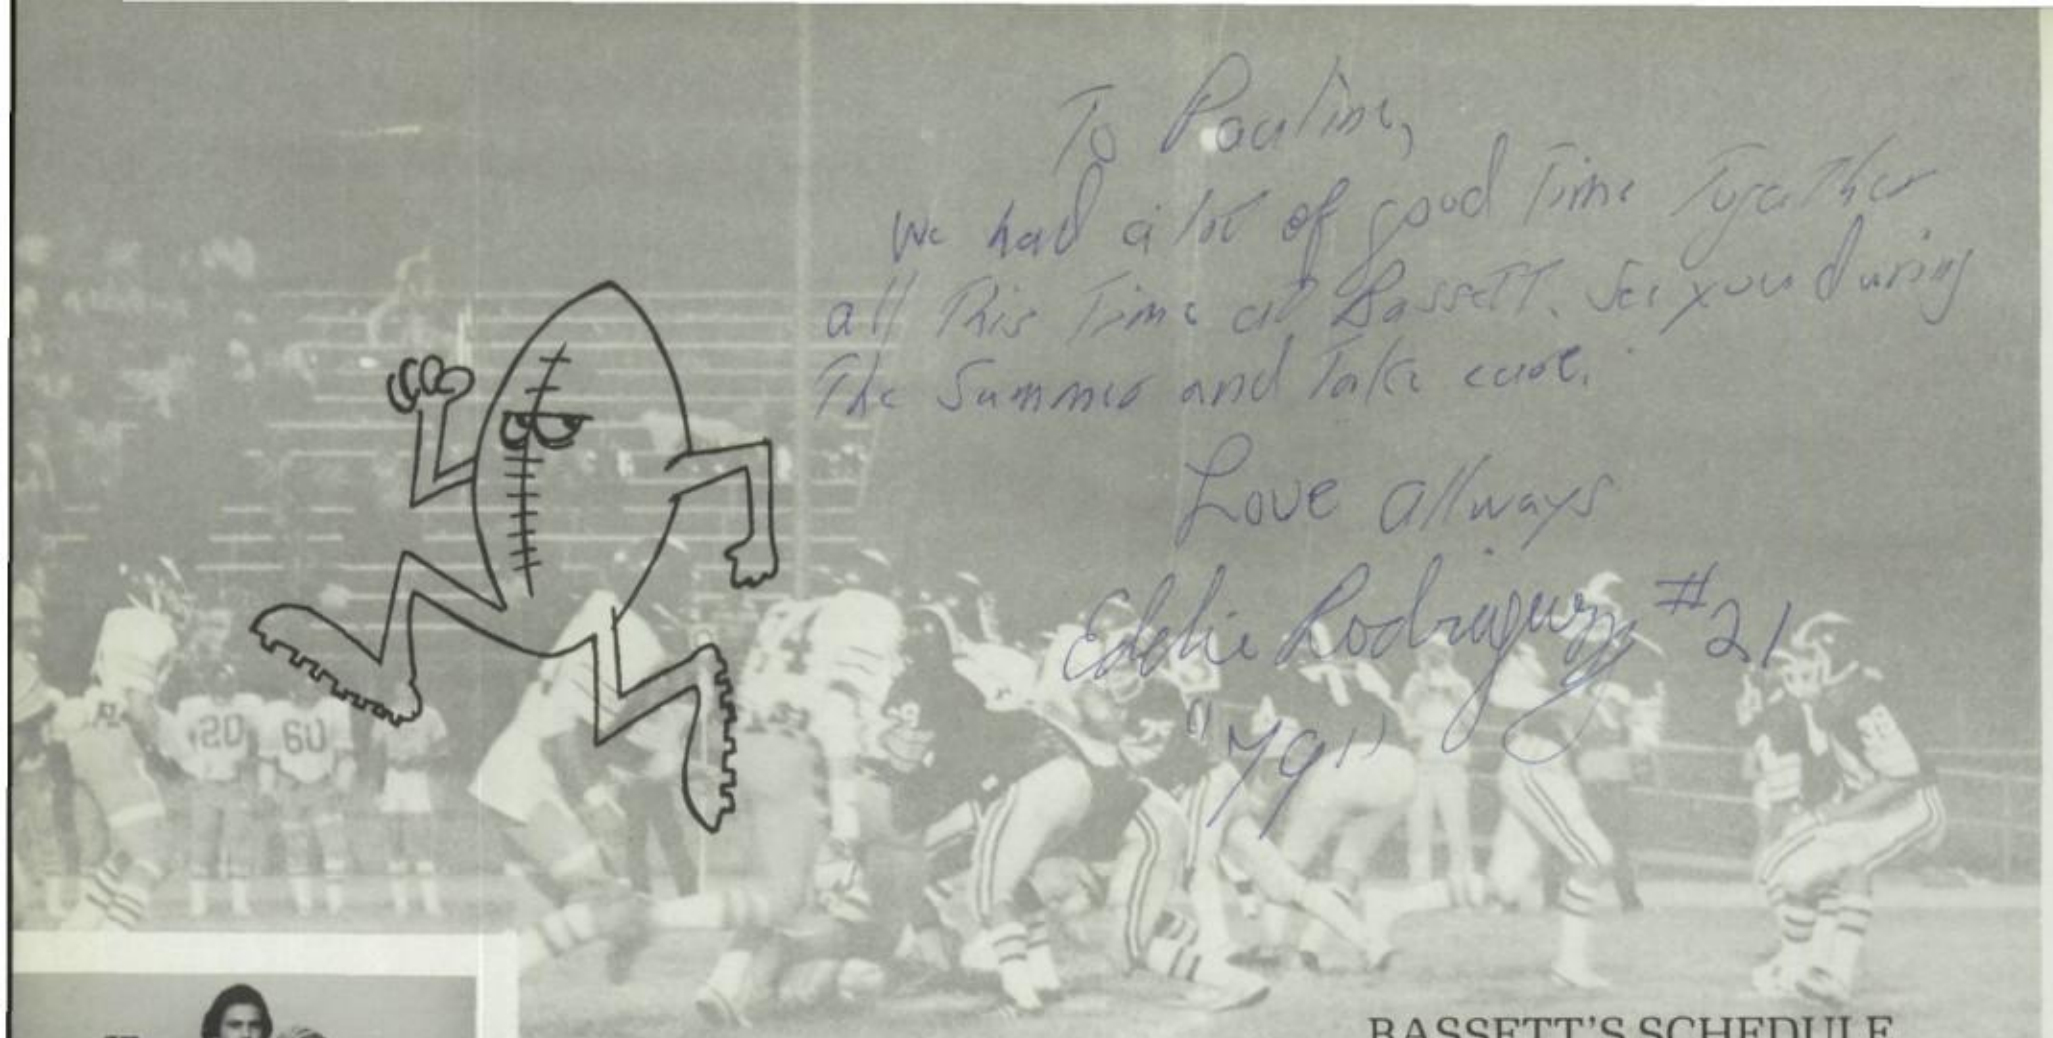


The year 1979 was a super year to remember. From Homecoming in September until the Prom in June, Bassett Olympians did it their way. Culminating a decade of outstanding achievement in academics, athletics and activities, the Olympians rose to new heights. Graduating seniors were provided with many opportunities: higher education, vocational training, and the arts.

Distinguished performance in sports left records and trophies for inspiration for future generations of Olympians. Leadership roles on campus were many and varied, creating a path for individual performance in society. We are proud of this productive and prosperous era.

The 1979 Yearbook staff salutes the Olympian Way!





To Paulina,
We had a lot of good Time Together
all This Time at Bassett. See you during
The Summer and Take care.
Love always

The 1978 Football Season at Bassett High School was considered a success from the standpoint of the Coaches and the enthusiasm generated by the student-athletes who participated. An over-all record of 6-3 and a league standing of 3-3 placed the Olympians 3rd in the Montview League. **Coach Ray Rodriguez** new to Bassett this year, stated he was satisfied with reaching his major objective which was to be respectable among other schools and the need for going beyond respectability.

Wins against Azusa and Workman were the highlights for this year. QB **Jimmy Hernandez** and wide receiver **Henry Munoz** combined for over 1100 yards in the air. Junior running back **Brian Gutirrez** totaled for 800 yards on the ground.

Defensively all-league linebacker **Robert Patino** led the Olympians in total team tackles. Junior lineman **Richard Delgado** contributed both offensively and defensively to the total success of the team.

Bassett High School could be looking for a possible shot at the Montview League Championship next year. With 9 returning defensive players led by **B. Gutierrez, J. Asencio, M. Munoz, R. Rebelloso, R. Tucker, E. Brown, R. Rivas,** and **D. Umphenour** the Olympians look as strong as any defensive team within the league.

On offense Bassett looks a bit weaker, but with all league **B. Gutierrez** and returning linemen **R.Delgado, J. Asencio, E. Brown, F. Busa,** and upcoming **R. Morris** *there is promise.*

Varsity Football Team. Front Row: J. Ascencio, G. Rojo, J. Luevano, C. Holling, E. Rodriquez, Coach Rodriquez, D. Unphenour, A. Feria, F. Buesa, A. Rios, D. Buzzard; second row: L. Martinez, M. Sophomore Football Team. Front Row: E. Hernandez, R. Guterrez, P. Moran, J. Martin, R. Rodriquez, M. Alverez, L. Gozun, F. Palez, J. Lopez; second row: F. Quinonez, S. Barrios, E. Moroyoqui, T. Cervantes, Coach Macias; fourth row: C. Prou, M. Nino, V. Ybarra, G. Schemmele, R. Morris, L. Garcia, R. Flores, T. Valasquez.

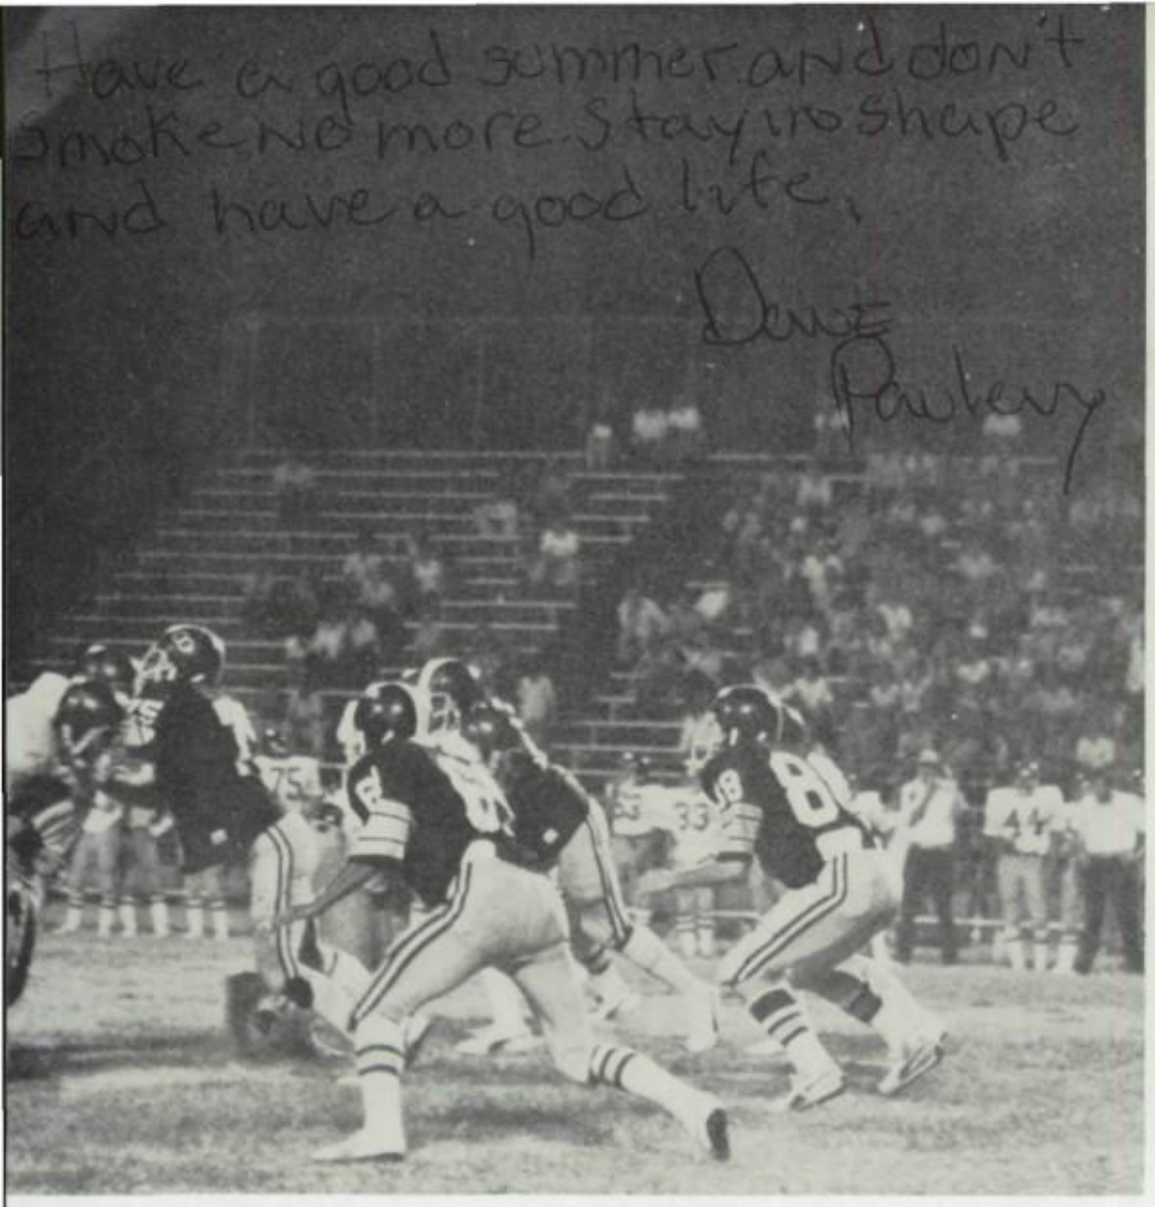
**Coach Rodriguez** and the rest of the football staff are looking forward with great anticipation for the 1979-80 season. They hope that the student-athletes who engage in this coming football season will be better prepared than in the previous years. **Coach Rodriguez** feels with the help and support of the student body, the community, and the faculty, this 1979-80 football season could lead to Bassett High School's first championship team.



**Leon Ward** and **Mike Sheppard** provided able assistant coach duties for the Varsity team. **Chuck Ramshaw** and **Ed Macias** brought the sophomore squad along with promise.

The Frosh team got off to a slow start this year, but that didn't stop them from breaking a 16 game losing streak with a victory over Gladstone. Team co-captains **Ruben Mangiaterra** and **Vince Gutierrez** led a strong offensive and defensive team with help from quarterback **Scott Holbrook,** fullback **Greg Hawkins,** linebacker **Ronald Martin,** and tackle **Ed Prado. Coach Fears** feels that the freshmen will make a strong Soph team next year.

SUCCESS is the watchword for the coming year.

Freshman Football Team. Front Row: R. Naverette, G. Ortega, K. Mi, F. Barajas, R. Martinez, R. Lewison, R. Laurie; second row: R. Irving, G. Hawkins, E. Oropeza, J. Sullivan, R. Martin, J. Varsity Volleyball Team. Front Row: B. Vermey, S. Serrano, D. Pinuelas, J. Armillo, Coach Watt. Second Row: P. Payne, L. Trujillo, L. Argonza, E. Kamidoi.

This year Varsity Volleyball contributed more than just time, sweat, and skill. They brought respect and happiness in the high achievement of girls' athletics. These young ladies put heart and concern in learning the necessary skills and play patterns on the court. To my seniors, **Sandy Serrano, Pam Payne, Eileen Kamidoi, Denise Pinuelas, Lisa Trujillo,** and **Barbara Vermey,** we, the remaining varsity players will miss you. Without you there would not have been a league title nor a CIF play-off berth for Bassett this year. May God Bless all of you, and may you all achieve your highest endeavor in sports and in life.

Thank you again, ladies. **Ms. Watt**

Junior Varsity Volleyball placed first in league with a 10-2 record. Seniors **Beth Baker, Melinda Padilla** received outstanding setter awards. **Beth Baker, Margaret Padilla** and **Martha Figueroa** moved up for CIF competition.

COACH WATT

J.V. Volleyball Team. Front row: M. Solis, B. Velasquez, M. Padilla, Coach Benes; second row: B. Baker, M. Padilla, M. Figueroa, V. Escoto.

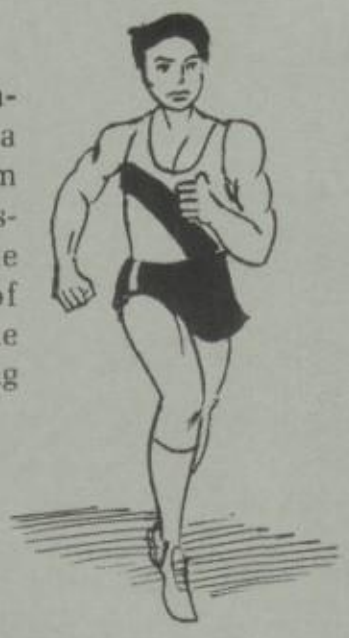
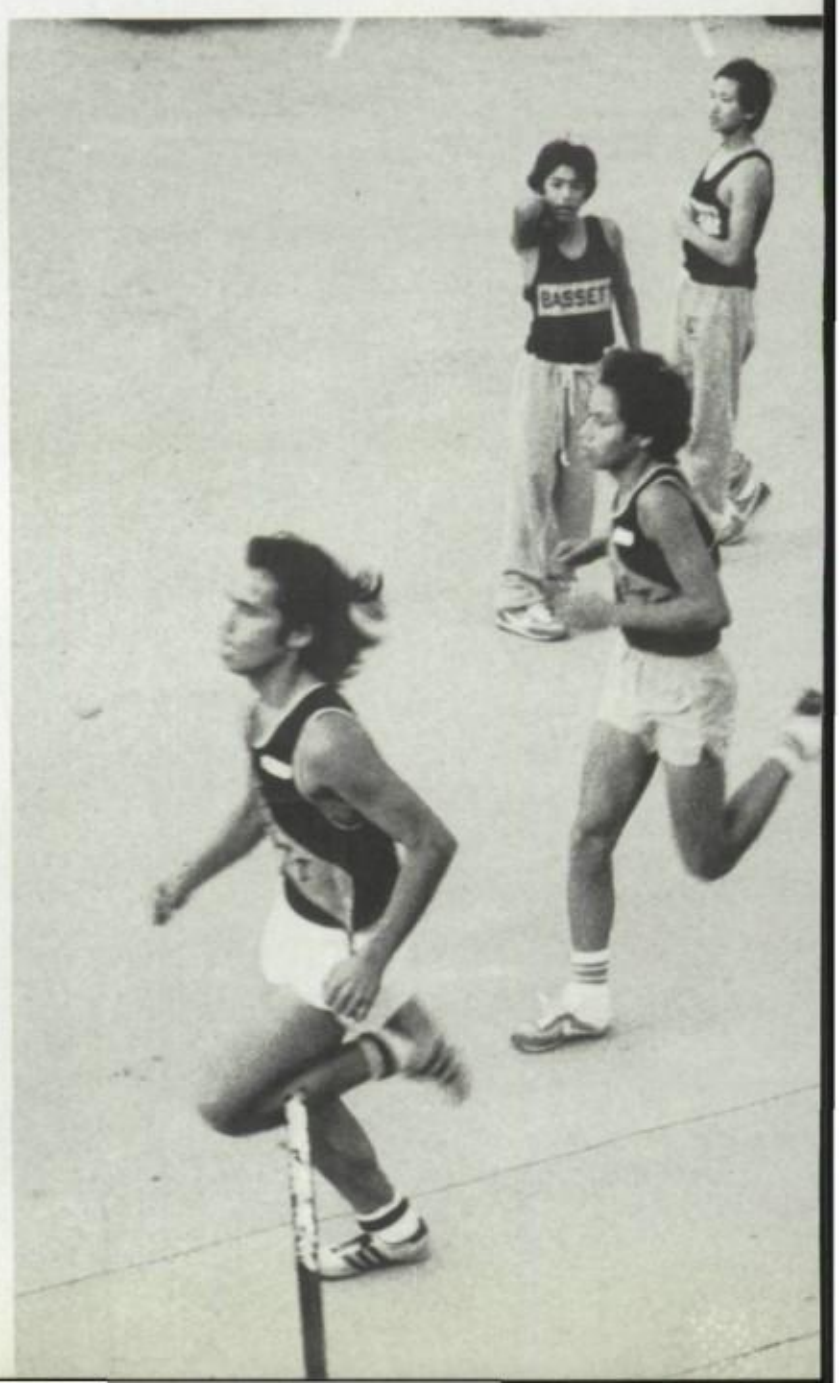
Strain, pace, fierce competition — then crossing the finish line was the procedure for Bassett's Cross Country team. Clocking in as key runners this season were **Richard Benevidez, Monica Sena, Roger Simmons, Monica Corral, Marcos Sena, Shirley Jones,** and **Simon Valdez.** As predicted last year, **Richard Benevidez** led the team this season winning Montview League for the third time. **Simon Valdez** and **Roger Simmons** also competed well. Considered a fair season by **Coach Lobato,** the team came from one win out of six cross-country meets to place third in league finals. With continuous build-up of team and individual performance the team can look to a future of winning meets and recognition for their school.





Girls Cross Country Team. Front Row: E. Lopez, T. Sharer, M. Sena, D. White, B. Torres, A. Adamo, G. Galvan, R. Munoz; second row: Coach Lobato, S. Serenil, J. Rodriquez, L. Gillette, M. Corral, G. Gonzalez, S. Jones, P. Palacios.

Varsity Water Polo Team. Front Row: E. Ibarra, R. Garcia, R. Contreras, M. Gonzalez. second row: J. Barnes, M. Rice, D. Miley, S. Laffler, J. Collins, J. Ervin, Coach Leavitt.

Four out of nine Bassett Water Polo team members placed on the all CIF team. Five team members placed on all-league teams. This outstanding record came about in a year of rebuilding the varsity crew. **Donald Miley** was selected most valuable player. **Jim Ervin** received the Ron Creutzberg Memorial Award for sportsmanship and courage.

Frosh-Soph Water Polo showed great promise for the future with a strong performance from our many freshmen. **Coach Leavitt** stated that this team was a rewarding team to coach and that they were successful in accomplishing their goals for the season.

The basketball program at B.H.S. started slow this year despite a nucleus of returning lettermen led by **Tim Arnwine, Eugene RevieреVerninas,** and **Brian Gutierrez.** A new head coach. **Tony Garcia,** was chosen at the beginning of the school year. making it difficult for the players to adjust to a new system and as the season got under way it was up hill work in competition with more experienced teams with spring and summer basketball programs. Although the team proved competitive. losing a number of games by less than 4 points and a number by 1. the Olympians were never able to close in on the more experienced teams. With more game experience **Coach Garcia** felt the team very easily would have been competitive for the league title. Take charge man was **Tim Arnwine,** good on rebound. **Brian Gutierrez** and **Willie Trotter,** free throws. **Darroll Coley.** Most improved player was **Hugo Pena** and most promising **Kelvin Fuller.**

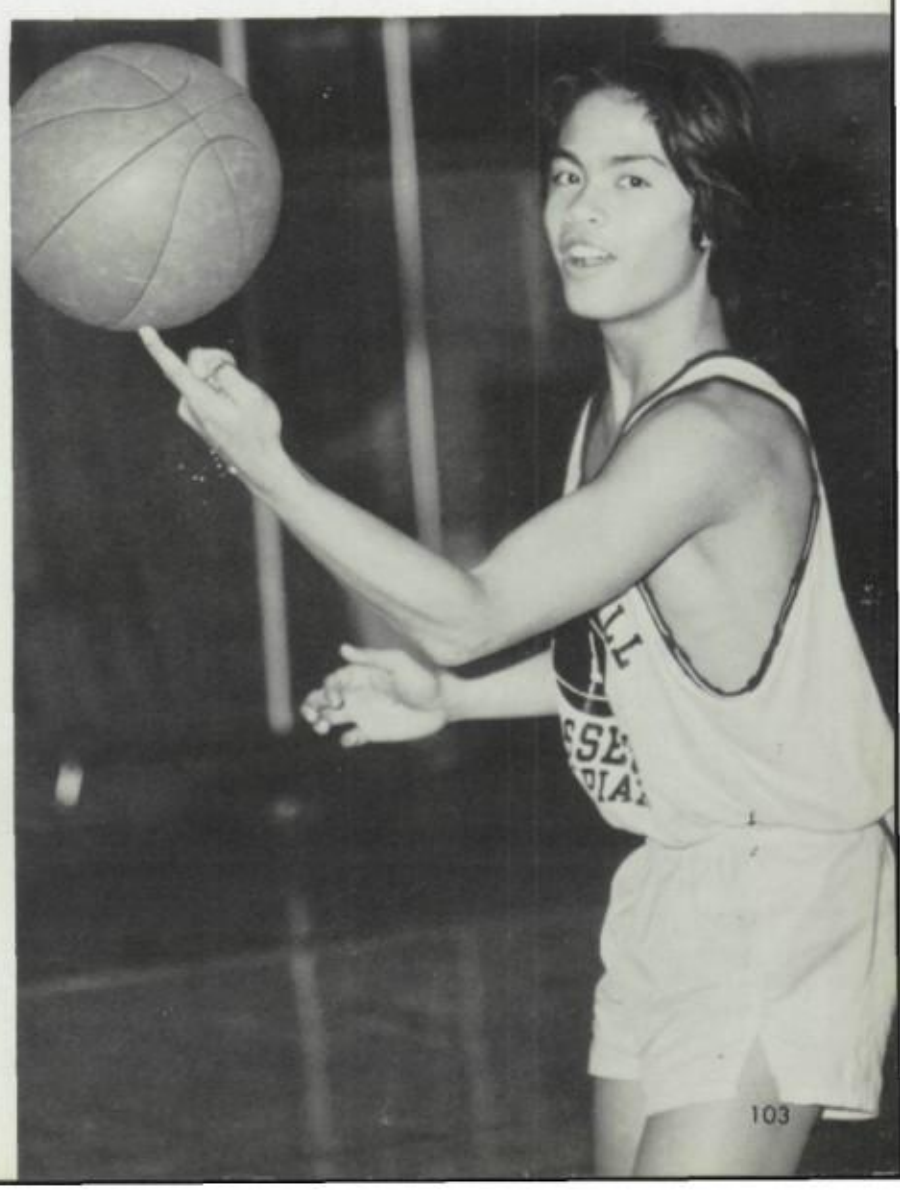
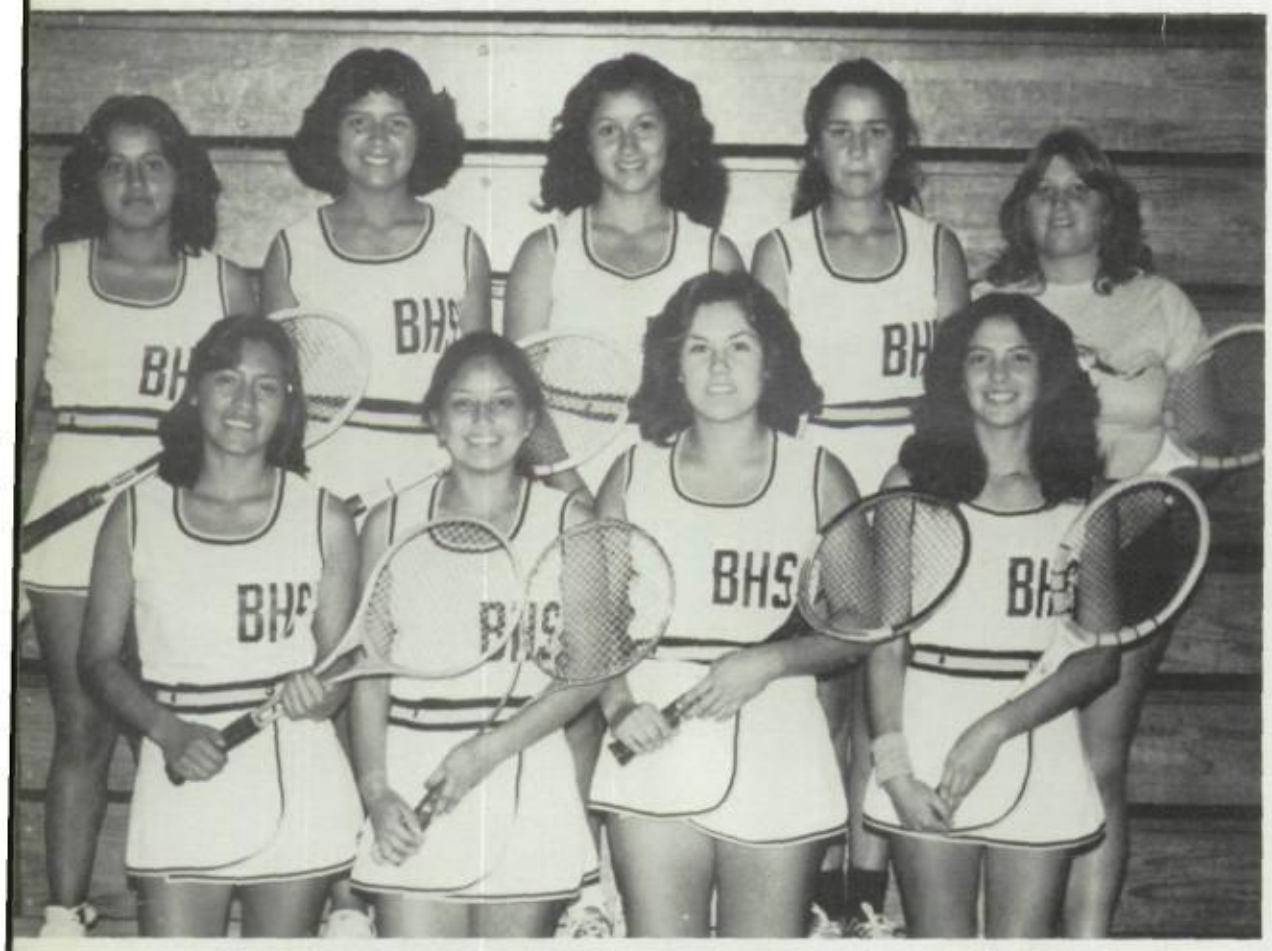
Winning seven out of ten games gave the Freshman Basketball team a fine reputation this year and a foundation for seasons to come. Showing a keen interest in the game, the athletes developed individual talents and made a special effort to work as a team displaying a good attitude indeed vital to winning. **Coach Lobato** stated the men to be "very coachable", a good compliment from an enthusiastic coach. **Les Butler, Clydale Crawford,** and **Arch Palacios** go on record as outstanding players.

Front Row: M. Davis, A. Palacios, F. Barajas, T. Villaganas, K. Lauderjung. Second Row: J. Fierro, L. Butler, T. Rowser, F. Macias, C. Crawford, A. Funes.



Rushed shots, stinging backhand, and errors in key situations plagued Bassett's varsity tennis team. Despite the frustration a season record of 3-12 stood through tough competition. The junior varsity fought a desperate 6-6 season. Records notwithstanding both teams were loaded with great athletes. **Lisa Olvera** and **Adda Barrios** were 1 and 2 in singles competition. **Cecilia Trujillo** and **Connie Gonzales** were the number one doubles team. **Cathy Rice** and **Aurora Salcido** placed 2nd in doubles competition.



Varsity Tennis Team. Front Row: A. Barrios, C. Trujillo, L. Olvera, C. Gonzalez; second row: J. Castro, T. Mangiaterra, E. Delmoral, A. Salcido, K. Rice.

Improvement is the goal for the present and the future as Bassett's Wrestling Team participates in strenuous practice sessions and challenging events. Few realize the effort it takes to make a championship wrestler; periods one has to take off pounds or put on pounds to maintain a certain weight class. **Coach Carlos Gonzales** has led his men in dual meet and individual achievements. One could see the pride in team effort on the mat as well as when the team was introduced at the pep rallies before the student body.

The Bassett grapplers had dual meet victories over Schurr, Duarte, and Azusa.

**Scott Blatt** took first place in 123 weight class at the Villa Park Five Way Tournament. At the same meet **Chris Zepeda** placed second in the 194 weight class.

**Albie Feria** came away with fourth place in 136 weight class at the Northview Tournament. At the Mt. San Antonio Tournament **Feria** placed fourth in the 130 weight class.

All the wrestlers, varsity, junior varsity, and beginners have displayed tremendous individual effort and sacrifice. The future appears bright if the development of the squad is fundamentally sound and steady. Coach Gonzales can be proud of his team.

With the return of starters **Sandy Serrano, Denise Pinuelas,** and **Eileen Kamidoi** Bassett's Basketball team was strengthened by the addition of **Josephine Capp, Dena Garcia, Margaret Padilla,** and **Brenda Martinez.** With four games remaining the varsity team held second place aided by **Sandy's** average of 25 points a game and **Denise's** 12.6 points. The defense demonstrated aggressiveness and leadership. With more game experience the rest of the team will improve.

Junior Varsity Basketball top players were **Becky Velasquez, Tina Sandoval,** and **Michelle Payne. Center Payne** proved most valuable player while **Laura Argonza** maintained the Highest shooting average. Congratulations coaches **Ochi, Benes.**

The future will bring championships for these fine swimmers. This year the girls were part of our team. They have contributed a great deal to the total program.

Baseball

**Coach Pugliese** was pleased with this year's varsity team. He saw the team improve with each game. The players pulled together and made a fine team effort, especially the defensive team. Impressive wins with Bishop Amat and Palmdale boasted team moral. Bishop Amat was an exciting game, pitched by **Jimmy Hernandez,** who only allowed 3 hits and no runs, which gave Bassett a 10-0 victory. In the game against Palmdale, Bassett was losing by one point until the bottom of the seventh inning, when **Chris Costantino** hit in two RBI's that won the game for the Olympians.

Junior Varsity: Row 1: D. Umphenour, J. Ascencio, S. Martinez, R. Corral, C. Tarin, E. Valdes, S. Torres, M. Alvarez, A. Vargas, N. Guzman. Row 2: J. Aguilar, A. Feria, M. McCall, W. Johnson, V. Ibarra, G. Schemille, C. Nerey, S. Garcia, J. Monzano, Coach D. Dexheimer.

Boy's track started their season on a winning note, with a big victory over Sierra Vista 81-45. Some strong performances were seen by distance runner **Richard Benevidez** who ran a 2.03 half mile and a 4.20 mile. **Artie Fields** ran the 330 yd. low hurdles in 40.8, and **Reggie Tucker** made his mark in the long jump pit. **Richard, Artie** and **Reggie** are among the best athletes in their events, in the Montview league. **Robert Patino, John Headden** and **Lionel Manuel** are also out on the field showing some super talents.

**Coach Ward,** head coach for the first year, enjoyed working with these men this year and is looking forward to a fine team next year with some upcoming junior Varsity and Frosh Soph competitors.

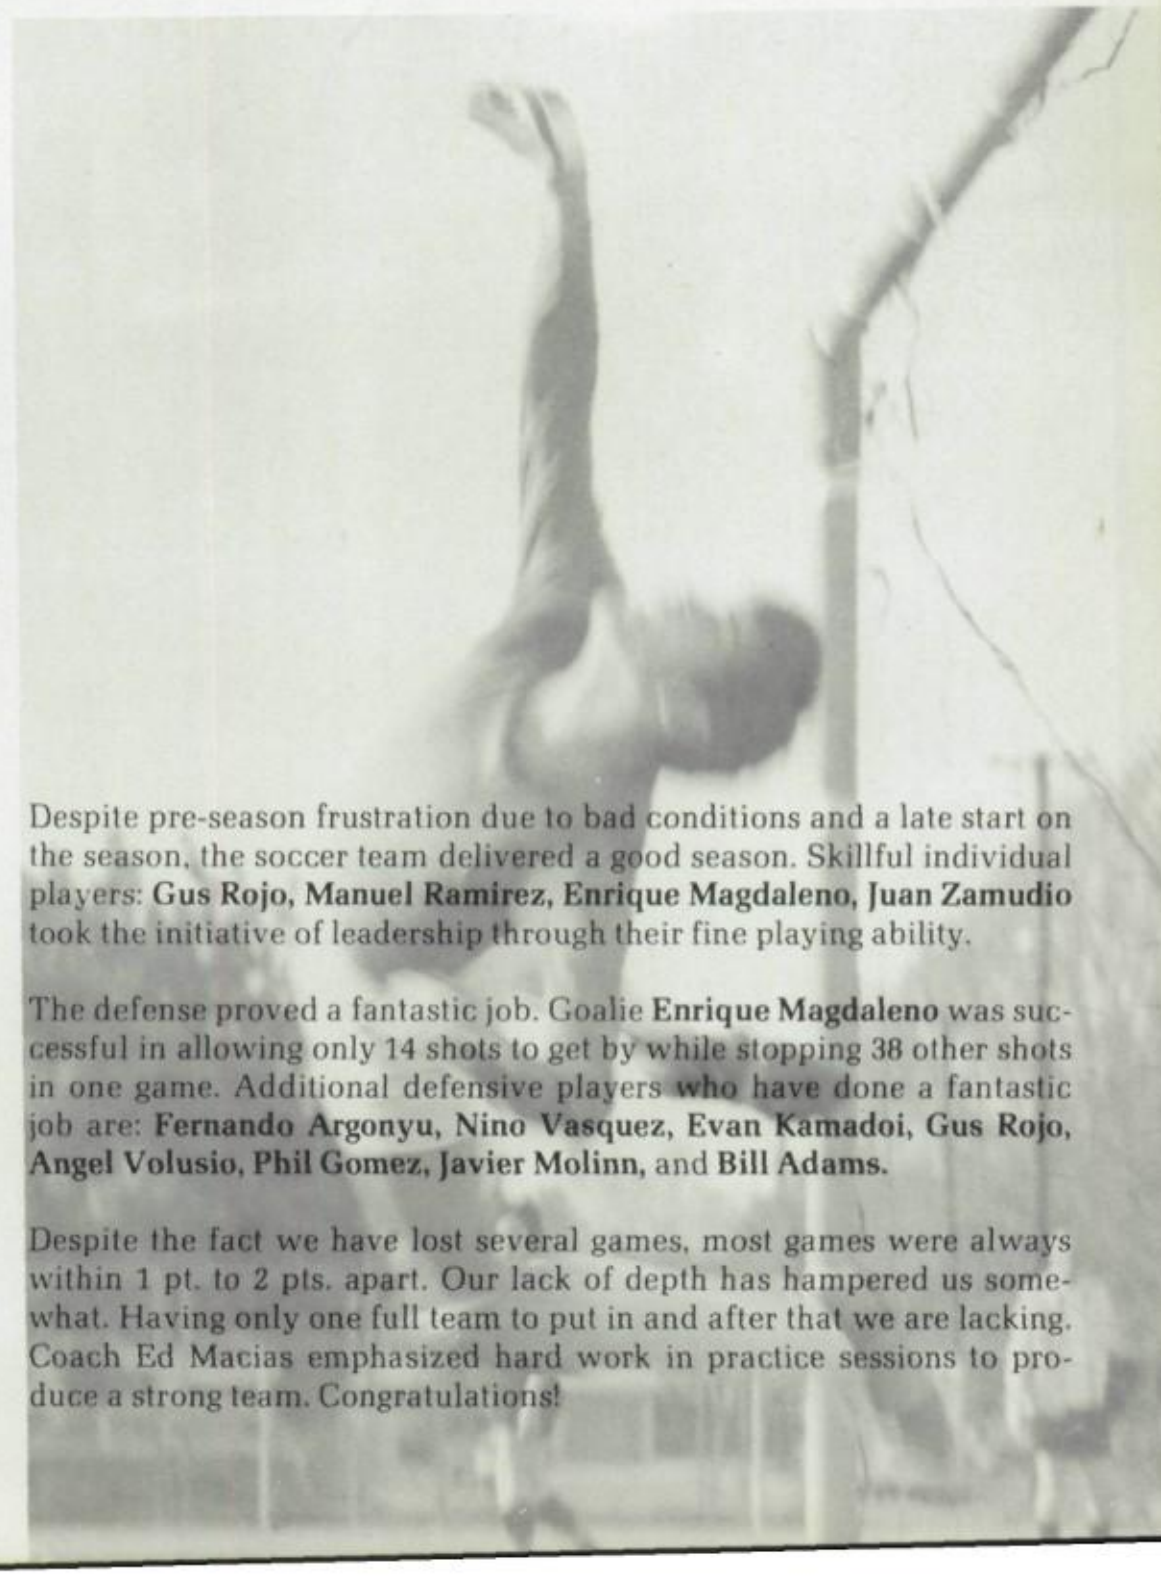
Girls' Track

The girls' track team faced many obstacles this year. They lost three top sprinters **Michelle Thomas, Linda Nonwood,** and **Cathy Woods,** which left a huge gap to fill for new runners. The pre-season track meets were cancelled because of rain, which caused the new runners to have less experience in race-running when the season meets were scheduled.

**Coach Watt** stated at the beginning of the season, she has a fine group of young ladies returning from last year, and a new group of runners who gained much needed experience for next year. Watt has an enormous amount of confidence in these young lady athletes and stated that with a fine team effort, skill, and ability, the girls' track team will always come out on top.

Front Row: L. Lopez, B. Torrez, T. Scharer, M. Rivera, P. Payne. 2nd Row: C. Watt, T. Navarett, E. Terrazas, S. Jones, A. Adamo, A. Galvan, M. Corral, A. Robinson, S. Shepherd. 3rd Row: L. Gillette, M. Payne, C. Gonzalez, M. Fernandez, T. Gonzalez, S. Dixon, L. Argonza, L. Montero. Not Pictured: M. Williams.

Front Row: B. Adams, G. Rojo, Not Identified, E. Magdaleno, Huerta, B. Lira, J. Samudio. Back Row: Coach Macias, H. Garcia, N. Vazquez, F. Arrgoza, J. Renteria, R. Ortiz, E. Kamidoi, P. Gomez, E. Kamidoi (Coach).



Despite pre-season frustration due to bad conditions and a late start on the season, the soccer team delivered a good season. Skillful individual players: **Gus Rojo, Manuel Ramirez, Enrique Magdaleno, Juan Zamudio** took the initiative of leadership through their fine playing ability.

The defense proved a fantastic job. Goalie **Enrique Magdaleno** was successful in allowing only 14 shots to get by while stopping 38 other shots in one game. Additional defensive players who have done a fantastic job are: **Fernando Argonyu, Nino Vasquez, Evan Kamadoi, Gus Rojo, Angel Volusio, Phil Gomez, Javier Molinn,** and **Bill Adams.**

Despite the fact we have lost several games, most games were always within 1 pt. to 2 pts. apart. Our lack of depth has hampered us somewhat. Having only one full team to put in and after that we are lacking. Coach Ed Macias emphasized hard work in practice sessions to produce a strong team. Congratulations!

Front: M. Garcia, P. Ramirez, S. Montoya, T. Mangetera, T. Wilson. Middle: J. Delmoral, M. Figueroa, E. Sais, H. Luu, M. Sena, S. Serenil, V. Villagas, A. Adamo, M. Pando, T. Luu, B. Torez, M. Corral, G. Carrico, C. Vigil. Back: J. Collins, E. Kamidoi, I. Martinez, C. Gonzalez, E. Delmoral, V. Villagas, A. Salcido, M. Solis, R. Mendez, G. Escobar, P. Johnson, B. DeMase, L. Dominiquez.

Badminton

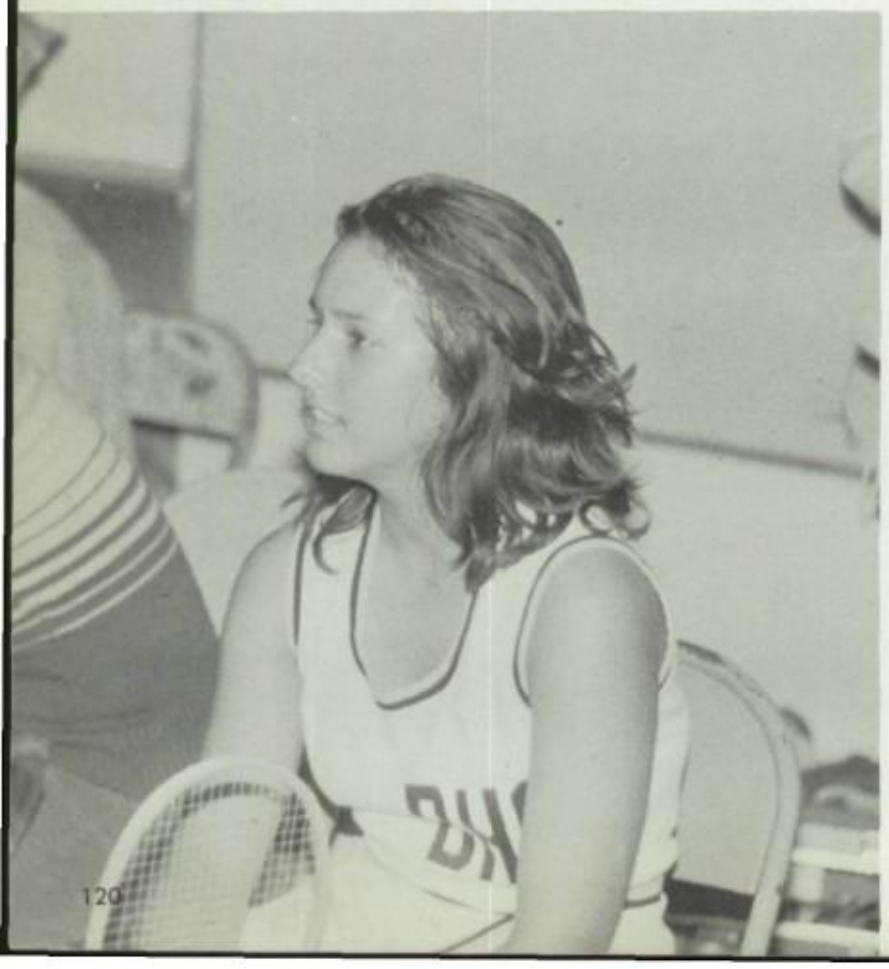
**Coach Huentinck** feels the team, as a whole, is doing very well. Many of last year's players have returned. All teams won their first league match against Workman H.S. The coach predicted at the beginning of the season that the team should be one of the best in league.

Some of the top players include **Eileen Kamidoi** No. 1 Singles and **Connie Gonzales** No. 2 Singles. Doubles teams include **Vivian Villegas** and **Aurora Salcido** No. 1 team. No. 2 team is **Elaine Delmarral** and **Pauline Ramirez.**

Boys are doing very well in competition also, winning their first game against Workman H.S. No. 1 Singles is **Donald Miley.** No. 2 Singles **John Collins.**

Co-Ed teams include **John Collins** and **Eileen Kamidoi, Donald Miley** and **Connie Gonzalez, Eddie Hernandez,** and **Martha Solis.** All three teams had impressive wins against Workman in the league opener.

Front: P. Johnson, E. Sais, L. Dominguez, S. Montoya, M. Pando, T. Luu, B. Torrez, R. Mendez. Back: I. Martinez, M. Sena, S. Serenil, V. Villages, A. Adamo, T. Wilson, G. Escobar, B. Deam, B. Demase.

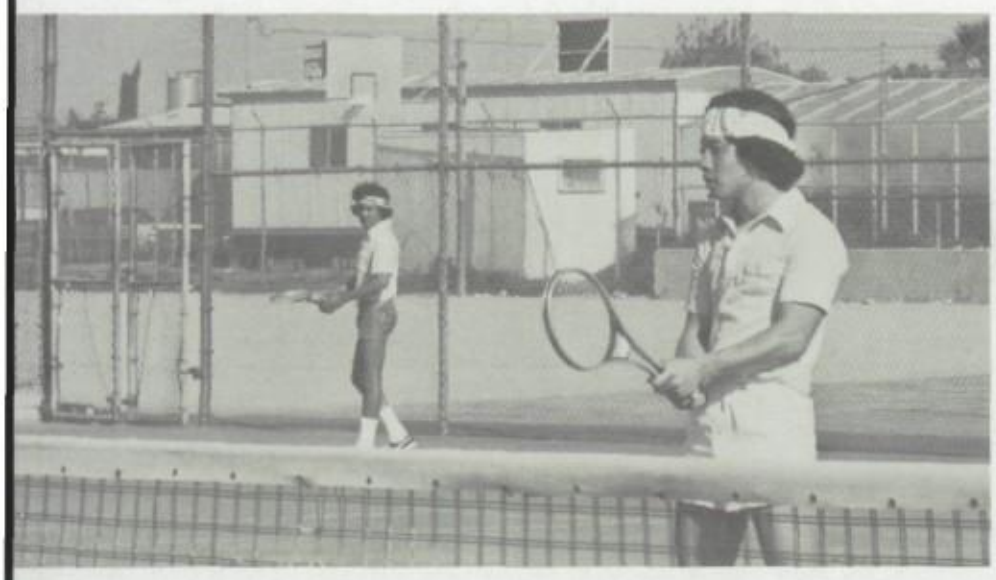


Varsity: Row 1: E. Chavez, D. Ballog, M. Canez, E. Perez. Row 2: C. Avalos, M. Perez, H. Gonzalez, A. Farmer, S. Barrios, Coach Leavitt.

Boys' Tennis

Beginning the season with a roster of new players, Bassett's tennis team met opposing teams with high spirits. Gaining experience as the season progressed, the team gained several victories. Individually, **Anthony Farmer** was the strongest man on the team and was the number one singles player.

**Coach Avalos** has high hopes for next year's tennis team, since most of the players will be returning, and will have much more experience.



Junior Varsity: Row 1: V. Gutierrez, G. Canez, E. Kamidio, R. Gutierrez, R. Gunn. Row 2: F. Duran, B. Velez, T. Osejo, P. Geslak, D. Arvizo, Coach Leavitt.

**Mr. John Roberts**, the new band director, led the Marching Olympians through many parades, half times, pep rallies, and competition. A small group numbering around 43, the Olympians competed against bands with 80-100 members. With odds of major proportions the Bassett band placed consistently in all competitions. **Alfonso Alcala** has been drum major for two years, winning many awards. **Debbie Arballo,** majorette, performed with style to give the group prestige. **Director Roberts** said, "We did very well this year considering that almost half the band were freshmen. We should have a good year next year as the band continues to mature and improve. A few key seniors are graduating, including our fine drum major, **A. Alcala**. However, the rest of the band should be able to pick up the slack and give us an award winning marching and concert season next year."

**Kandy Mink** and **Eileen Kamidoi,** co-editors, head the Forum Staff of fifteen members. The group has had its share of trials and tribulations as well as a year packed with fun. The students were constantly on the go, reporting, interviewing, graphing, typing, pasting-up and eating pizza. The staff worked and played like a big happy family, celebrating everyone's birthday, having a Christmas dinner, snow skiing in the winter and dressing up during Spirit Week and Cinco de Mayo. The class put in many hours of hard work. This time-consuming class takes a lot of devotion to the paper and students often stayed as late as eleven o'clock at night getting the paper ready to be printed. A new press was delivered to the school this year adding to the excitement along with photography equipment and the set up of a dark room. On the minus side we ran out of paper. **Chris Mueller** can be proud of her hard work, the fine quality of the Forum and indeed an excellent staff. A special thanks to **Mr. Jess Gonzales** for his interest and support and to the students who worked the press.

STEELERS

From pep rallies to parade, on the graduated yard lines of the football field and on the polished surface of the basketball court, the 1978-79 drill team gave a brilliant display of splendor and pageant. **Ms. Susie Smith** worked many hours in drill with the team members perfecting highly developed, smooth, refined routines.

Drill Team. Front Row: L. Navarro, K. Mink, C. Armijo. second row: B. Benavidez, D. Serna, J. Olmos, P. Alvidrez, T. Orr, A. Romano, D. Flores, T. Garcia, I. Prieto, I. Chaidez, R. Olmeda. third row: V. Villaganas, Y. Arias, B. Ascencio, A. Adama, R. Ragoza, K. Holling, B. Prieto, M. Chaidez, A. Navarro, F. Gallegos. fourth row: S. Sais, J. Mekel, P. Navarro, C. Gardia, N. Martinez, D. Soto, Y. Ramirez, L. Alvidrez, J. Ybarra, M. Lozano. fifth row: Advisor S. Smith, B. Roach, M. Carter, E. Rivas, T. Lucero, S. Prince, L. Talavera, R. Martinez, B. Alcala, L. Contreras.

The long hours of practice, the concentration on detail, plus the spirit of competition led to a successful, rewarding season.

One of the largest drill teams still in competition, Bassett can be proud indeed of this outstanding record:

Cal Poly Field Competition — 1st — in our division, highest score in all divisions.
West Covina Field Competition — 1st — in our division, highest score in all divisions.
Azusa Parade — 2nd — missing 1st by ½ point.
Arroyo — 2nd and 3rd — missing 1st by ½ point. (Competing against and beating many large 4A schools.
Saddleback — 2nd — missing 1st by 1 point.

Judging by audience response the routine "Greased Lightning" would have received 1st in both dance and individual competition.

Many invitations to compete were extended throughout the year, including Drill Team USA and Magic Mountain.

Congratulations to **Ms. Smith, Captain Kandy Mink, Lt. Angela Lewis** and all the team members.

Student League is a service and recreational club, open to all members of Bassett High School, and each year the club sponsors the Christmas Ball.

Student League has helped many other clubs at Bassett. For example, last year they gave the Art Dept. about $150 to purchase a gem-polishing machine. They also gave the P.E. Dept. some $400 which enabled them to get a Crylon machine to aid injured students.

# BAIABAIABAIABAIABAIABAIABAIA

Solidarity, discipline and family unit are the key words that go to make Bassett Athletes In Action BAIA one of the most successful clubs on campus. **Advisor Tokijo Ochi** pointed out that the athletes have a home base to set standards. The group keeps score and sells candy to raise money. The members of BAIA must work in several sports to earn a letter, which Bassett's women excel. BAIA has a tradition that produces winners as evidenced by the records. Congratulations to a fine club.

BAIA can thank gratefully the good coaching and leadership from the outstanding women coaches at Bassett.

The lipstick writing on the mirror said, "Isn't it great to be in song." The fun of training camp and the hard work in performance characterized Bassett's Song Leaders this year. Before school began the song leaders attended camp at Loyola. The group won second place as the Hardest Workers and honorable mention for Most Spirited. The song leaders provide leadership for spirit at pep rallies, football and basketball games, wrestling and water polo meets. Advisor **Susie Satterfield** worked long hours in practice with the group along with **Jewel Wood.** Bassett can be proud of the spirit, the beauty and strong devotion of these young women.

Bassett's Cheerleaders began their practice sessions in the summer before school began, working many hours a day for at least three days a week. In the summer they had car washes and promoted a bike-a-thon to raise money. The hard work gives reward in that the group won 1st place for their spirit sign and 3rd place for most improved at the camp at Loyola. The cheerleaders enjoy performing at games and especially homecoming. **Tracy Mathews** served as group leader for the cheerleaders and songleaders. Bassett can be happy to have these spirited leaders to help promote inspiration for victory.

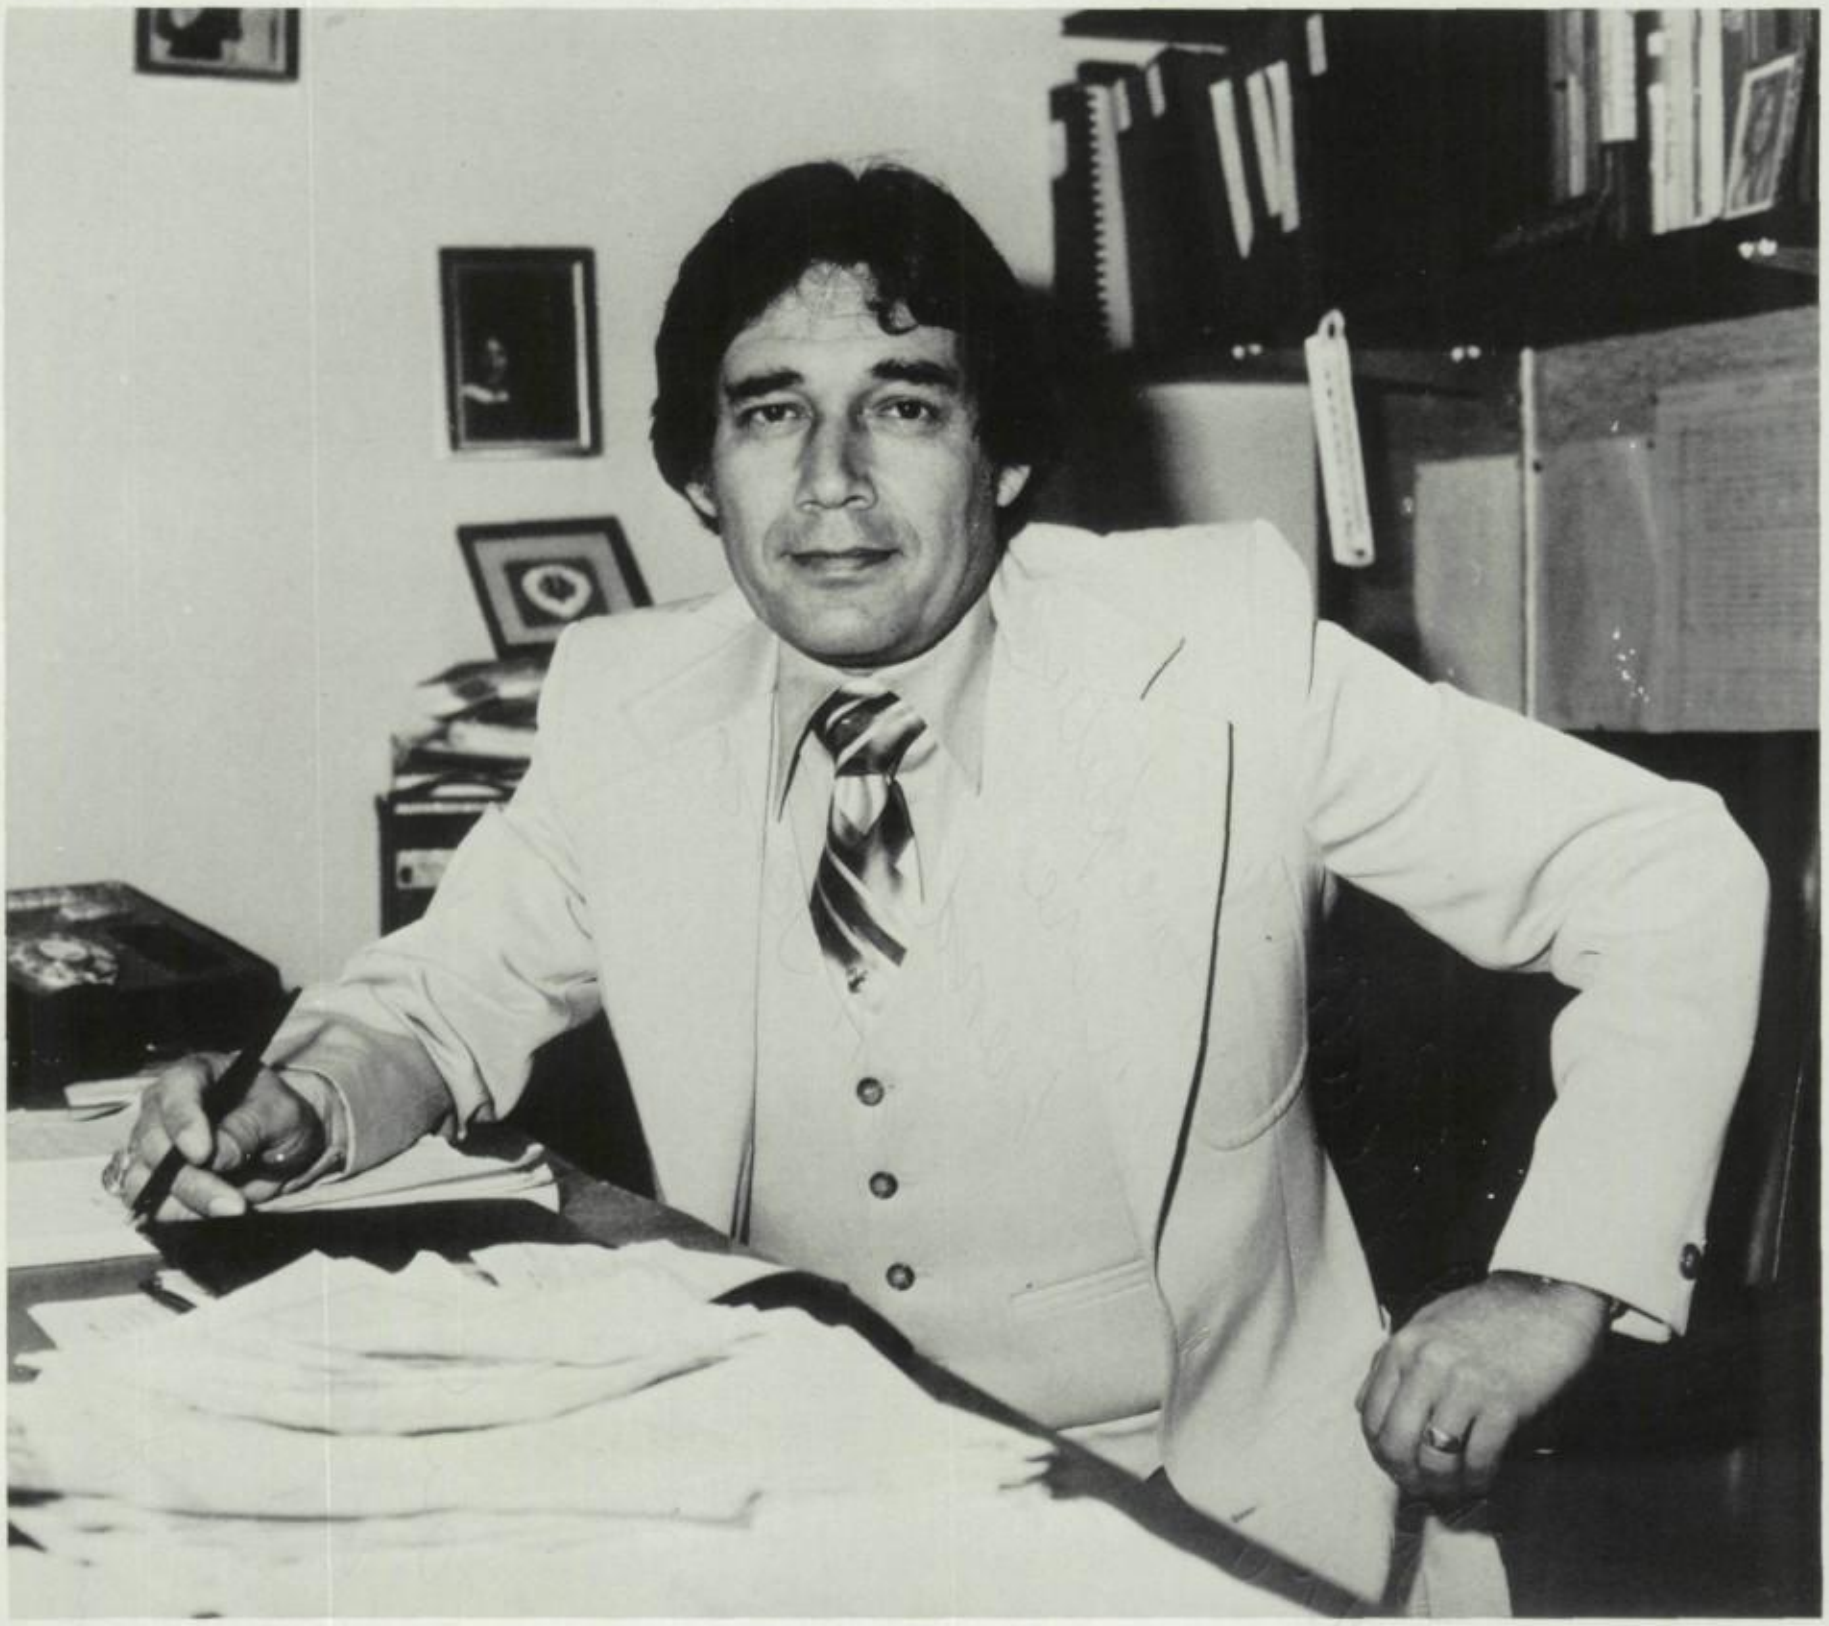
To Paul w.
Have a good summer. I hope
you learned something very important in
this school. Stay out of trouble in this big world.
I'll see you around.

Your Friend Lena 80'



The one value I would like to convey to you is to enjoy, prize, foster, and protect distinctness in man. In a school such as ours, where so many of you, the students, come from different cultures, communicate in different languages, and have teachers who come from different backgrounds, it is important to understand one's uniqueness.

It is easier to work with blinders than to have open vision. One can choose to ignore individual and cultural differences in the hope they will disappear or one can acknowledge their presence and do everything possible to work within multi-cultural values, feelings, capabilities, wants, and actions.

I sincerely hope that you develop pride in your school and your culture, and that you find your place in the world. I can look back with pride to my association with you, the students, the teachers, and community.

There is a sense of accomplishment that former graduates of Bassett High School have: the doctor having finished medical school, coming back to the community to practice with self-respect in the same area where he went to high school; the athlete making his mark in the sports world and college, returning to the high school to teach young persons; the self-employed having developed a sense of community in high school to work in the business world to foster community self-esteem; the mother and father who view, with dignity, their children follow their footsteps at B.H.S. in sports, in drill team and in classes. These Bassett graduates have achieved certain goals, but not without pride, self-esteem, self-respect, and dignity.

We will continue to provide an educational climate to insure your place in the world, so that Bassett will be recognized as a great high school, recognizing man's distinctness, working with pride for an open society.

Sincerely,

Jess L. Rangales

Assistant Principal

TO THE STUDENTS OF
BASSETT HIGH SCHOOL

The four years you spend at Bassett High School will become in the future the most precious and memorable time which you will recall all your life. Because it is such a short time spent in the span of your life, hold on to each minute and do all you can to account with pride in your efforts. You are but a sum of all your days, all your choices; make them good days, good choices.

Dee Sprague

I've been a member of the Bassett High School staff for fourteen years. During those years I've seen many students come through B.H.S., some of them friends, brothers and sisters of you, today's students.

You have continued the tradition set in the past by making this year a successful year at Bassett High.

I congratulate you and wish for you a fine future.

## ★ THE OPTIMIST CREED ★

**PROMISE YOURSELF**

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

# Editors Page

*At the end of each year when the work for the annual is finished, the time comes for the editor to write a special thanks to all of the people who helped make the yearbook what it is.*

*To Julie: It's hard to express my thanks to you. You have supported and helped this annual tremendously. Thanks for coming in during the middle of the year to finish the final work on this yearbook.*

*To Mr. Gagnon: Thank you for providing your helpful advice and for letting me miss class to work on the annual. (I promise I won't take any wooden nickels.)*

*To Mr. Tambara: A special thank you for being so patient with the staff and taking the time to talk to us and help us with some of our problems.*

*To the Annual Staff: Ron, Elida, Liz, Pat, Vince, Donna, John, Crystal. Thanks for putting in extra time and effort after school, also thanks for putting up with me.*

*To my Coaches and Teachers: Thanks for excusing me from my classes to work on this yearbook.*

*To Margaret: You've worked extremely hard on this yearbook and made the work much easier for me. Thanks for helping me with my problems and understanding when I had to go to work. If anyone deserves the spotlight for this annual it's you. I'm sure next year's yearbook staff will miss your creative ideas.*

*Bassett: This Olympian would not exist without your support, so I dedicate the book to all of you.*

Linda's space

to me Lina,
We finally did it. Were graduating Lina. im really going to miss you because you were one of my best friends. Remember all the fun we had and how stupid we use to act, Remember the guidance office and the way we use to goof around, Remember when we use to be little trouble makers when ever it came to grumpy art. those were all good memories yeah i have to admit but there's a time in everybodies life where you gonna have to let go of certain memories and go on to new one's. at least we can say that we graduated from Bassett high. Don't worry later on in life you will be able to talking about grumpy without feelings and crying and i will be able to talk about art without thinking and crying (i hope). have you heard that song "we've come to far to end it now". Well that's how i feel about me you and pat. Sure were graduating but that doesn't mean that we don't stay friends. The most important thing that we have to do is keep the memories. We should always keep in touch. Pauline, thanks for being their when i needed a shoulder to cry on. you helped me out alot when i needed to talk. i owe you alot for caring about me the way you did. thanks for being there when i needed you. pauline i just want you to know that when ever you want to talk or need a shoulder to cry on i will always be there.

Love you always
(your mija)
